

# GSO Fishing

## 2020 Guided Trip Updates

2020 has definitely started out with a bang and it has us quickly pivoting to ensure that our clients still get the amazing experience that you've come to expect from our guide service while following the Gunnison County Mandated Guidelines and keeping you, our guides, and our families safe.

## We Take Everyone's Safety Seriously

### What Changes Can You Expect?

- Our guides are required to wear masks during guided trips.
- Customers will be asked to wear a mask, or a face buff that they provide.
- We will be giving a safety briefing at the beginning of every trip.
- We will have hand sanitizer on all of our boats.
- Sadly, drinks and snacks cannot be provided by our guides this year. You must bring your own food and beverages on the trip.
- We will maintain social distancing whenever possible.

All of our boats and gear will be sanitized prior to any trip and after all trips.

We will provide you with a detailed email prior to your trip that outlines all of our social distancing and operational guidelines.

Please don't ever get on a boat with someone you are not 100% sure is one of our guides. Our guides will de-mask at a safe social distance during introductions so you can be sure that you are going with the right guide. All of our guides' photos are listed under the 'Our Team' page on our website [gsofishing.com](http://gsofishing.com).

We understand that all of these changes can feel a bit overwhelming. Know that our guided trips may look a little different this year but our dedication to providing our clients with the best experience possible and memories to last a lifetime is still the same. We hope you will join us on our boats in 2020.

If you have any questions, concerns, or suggestions we encourage you to contact us at the numbers or email listed below.

GSO Fishing is dedicated to giving back to our community. We are donating 5% of our 2020 guided trips revenue to the Gunnison Rotary Club Student Scholarship Fund.
